Clandinin lab
Whole brain activity, cell type specific activity, anatomy, behavioral data

Dickinson lab
Cell type specific activity, muscle activity, anatomy, behavioral data

Druckmann lab
Predictive models, data analytics, behavioral models

Mann lab
Cell type specific activity, anatomy, behavioral data

Murray lab
Predictive models, data analytics, behavioral models, control theory

Tuthill lab
Cell type specific activity, muscle activity, anatomy, behavioral data

Wilson lab
Cell type specific activity, muscle activity, anatomy, behavioral data
